Lasernet Keep 11.1 Beta Released!

2026-03-17 - Angela Simms - [Comments \(0\)](#) - [Lasernet Keep](#)

We are happy to announce the release of Lasernet Keep 11.1 Beta 1!

For a more detailed overview, please refer to the documentation linked below.

Note

This is a beta release. It should not be used in production environments.

As this is a beta release, minor issues might exist in the software. Although beta releases are not officially supported, you can submit error reports to [Lasernet Support](#).
